What is MASC : MASC is a competitive swim team! Our MASC swimmers are being trained and conditioned by wonderful and talented swim coaches to swim competitively. MASC does not provide swim lessons!

To be on the MASC swim team, 8 year old & under swimmers must be able to swim the length of a 25yrd and a 25meter pool unassisted. All swimmers 9 years old & above must be able to swim 50yds and 50meters unassisted. As in all clubs, our swim events are not all home events and it will require our swimmers to travel to league-scheduled (away) swim events.

If you are interested and would like more information or a copy of our registration form, please contact: Keith Price at (717)-860-6319 or kprice@embarqmail.com

***Due to insurance reasons swimmers must fill out, sign and return all Registration Forms!
No athlete will be registered or allowed in pool without these completed registration forms!***

M.A.S.C Swim league is open to all youths ages 5-18

“The Tuscarora School District does not sponsor or sanction this program/event/activity.”
